## BECOME AN AUDITOR WITH THE PERFORMANCE REVIEW INSTITUTE

PRI is looking for special process subject matter experts and quality professionals to engage as independent contractor Auditors to support our global industry managed programs.

### WELCOME

Thank you for your interest in contracting with us as an Auditor for our industry managed programs.

PRI is trusted by key manufacturers in industries such as aerospace and medical devices to improve process and product quality across their supply chain. To do this, we need subject matter experts with the qualifications, experience, and knowledge to conduct audits of critical manufacturing and special processes around the world. You can find out more about PRI and our programs on this website.

As an independent contractor, PRI provides the security of steady work combined with the flexibility to pursue your other business interests and the opportunity for travel.

### INDEPENDENT CONTRACTOR OPPORTUNITIES

## Independent Contractor Opportunities

### Are you an Independent Contractor looking for an Opportunity to Participate in an Influential Industry Program?

Contribute to the Aerospace, Medical Devices, and/or Transportation & Power Generation Industries and participate in ongoing quality initiatives by working with the [Performance Review Institute](#) as an [Independent Contractor](#). Subject matter experts who want to enjoy a flexible schedule, love to travel and have the ability to work from any location in the world are in high demand.

If you are committed to preserving the integrity of the industry, maintaining confidentiality & avoiding conflicts of interest; an expert in one or more technologies and are highly skilled in developing and maintaining working relationships and the English language – we want to hear from you.

Please review these [General Qualifications](#) for the auditor opportunity. Click on the listed opportunity title to find the specific qualifications and apply from that page.

Or, if you prefer, you can simply [submit your resume](#) for general consideration.

"The work is technically interesting and varied... I enjoy the opportunity to travel and improve my foreign language skills."

*Martin Bridge, UK*

In the process of applying for an independent contractor opportunity with PRI, you will be required to submit personal information. PRI will only use this personal information for the purpose of the application process. For more information on PRI's privacy policy, please review our [privacy statement](#).
